

SIDANI

PRODUCT FEATURES

A chest of drawers featuring multiple horizontal drawers arranged in an irregular stacked composition. Hammered brass rod handles slice through the body in stratified bands, wrapping around the sides to emphasize the layered architectural rhythm.

Material: Oak wood veneer carcass with solid oak drawer fronts

Base: Blackened oak plinth-style base

Hardware: Custom textured brass pulls running across drawer faces and wrapping around side edges

Finish: Satin matte lacquer on wood, high-polish finish on brass

Drawers: 10 soft-close drawers of various sizes for multi-purpose storage

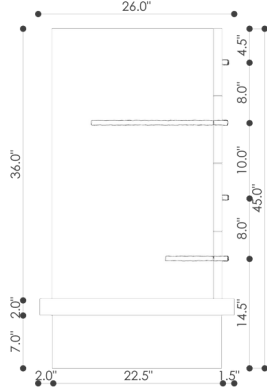

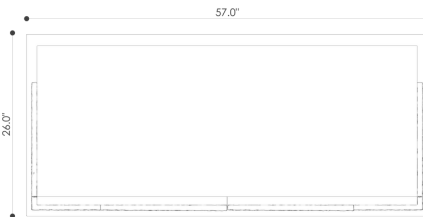

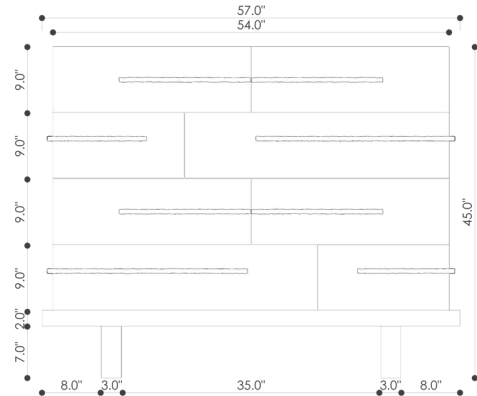

Back: Finished back for floating placement
